

## ACTIV 605 CRUISER

 6 passengers    6,02 m    150 hp    2 berths

The Activ 605 Cruiser has gotten longer and wider compared to its predecessor, but it's still our most compact cruiser. The redesign gives you a bigger, more streamlined boat. Also interesting to know: your increased cruising comfort is coupled with longer cruising, thanks to the biggest fuel tank in this category.
